- Certificate of English language proficiency corresponding to B2-C1 level (in the Common European Framework of Reference for Languages, CEFR standard). **Status of the proficiency must be given already in the nomination information.**

Students exempted from proving English proficiency by any of the above mentioned certificates:

- Students from English speaking countries and Nordic countries
- Students who are undertaking a bachelor’s or a master’s degree taught entirely in English.

In case of doubts about the English proficiency requirement and certificate the student should check with the International Office at the home university concerning what has been agreed with Hanken.

The **Acceptance letters** are sent in May to students coming for the autumn semester and full year and in November to students coming for the spring semester. Acceptance letters are sent by E-mail only.

**Academic information:**

**Workload:** Full-time workload for a semester is *approximately* 30 ECTS credits, i.e. 4-5 courses of 6 or 8 ECTS credits each, some courses may carry less than 6 ECTS credits.

**Level:** *Intermediate* level means BSc-level, *Advanced* level means MSc-level. Courses at upper BSc-level (third year) may also suit MSc-level students.

**Course Counselling:** The International programme co-ordinator for incoming exchange students (margareta.granholm@hanken.fi) in Helsinki will reply to questions on courses and academic matters. Adjustments to course plans can be made during the Orientation Course if places are available and other conditions allow.

**Accommodation**

**STUDENT HOUSING:**

Hanken has no campus accommodation. Student accommodation is available from the Foundations for student housing in the Helsinki region, HOAS and in the city of Vaasa, VOAS. Students are requested to submit the online application directly to the respective housing office.

Please note that in Helsinki the student accommodation is scarce, and the number of rooms/beds available for Hanken Exchange will not meet the demand, particularly not in the autumn semester when the majority of students arrive. About a third of the number of Hanken’s exchange students in the autumn semester will receive HOAS accommodation. The rest of our exchange students must find accommodation in the private sector. Hanken will assist the students with contacts, but cannot guarantee that everybody has permanent accommodation upon arrival.

Although everybody will not obtain a room via HOAS, we still urge students to apply. In case HOAS will have a room to offer, only those who have submitted an electronic application will be able to receive an offer.

**Helsinki Campus:**

Exchange students going to Hanken Helsinki campus for the Autumn semester or full year shall apply for a HOAS room *as of 1 April*. Students coming for the Spring semester shall apply *as of 1 October*. All students who are interested in a room from HOAS shall apply immediately when the application opens on 1 April/1 October at [www.hoas.fi](http://www.hoas.fi) –› Exchange Students using the link APPLICATION FOR EXCHANGE STDENTS only.

In order to secure a possible housing offer from HOAS the student must have submitted the electronic application. Within Hanken’s quota we give overseas students priority for HOAS housing. Additionally, places are allocated on first come first serve basis.

**Vaasa Campus:**

Exchange students going to Hanken Vaasa campus shall submit the electronic “Housing Application” form at [www.voas.fi](http://www.voas.fi). In Vaasa there is no quota of rooms reserved for exchange students. Students coming for the Autumn semester shall submit the application *after 1 May* to avoid that the housing application expires before it is their turn to be placed. The student housing situation is not as pressed in Vaasa as in Helsinki and exchange students have almost always been accommodated in VOAS rooms.
PRIVATE SECTOR:

**Hanken accommodation** at [http://accommodation.hanken.fi/](http://accommodation.hanken.fi/), a portal where persons who want to rent out apartments or rooms to Hanken’s exchange students can place offers.

**Hanken’s outgoing exchange student’s room or apartment:**
Hanken has joined HousingAnywhere, [https://www.housinganywhere.com/](https://www.housinganywhere.com/), a platform for student-to-student housing where outgoing exchange students can offer their apartments or rooms for rent to incoming students in a safe way.

**Other websites in the private sector:**

On Facebook you can find sites for housing search, which are not owned by any official agencies but worthwhile to check, e.g. ‘Apartments for students in the Helsinki region’ [https://www.facebook.com/groups/112489548797522/?fref=ts](https://www.facebook.com/groups/112489548797522/?fref=ts)

Omena hotels offer quality budget accommodation at two hotels (Lönnrotinkatu and Yrjönkatu) within walking distance to Hanken. [http://www.omenahotels.com/](http://www.omenahotels.com/)

---

**Residence permit:**

Find information on immigration and application for a **student residence permit** at the Finnish Immigration Service, [http://www.migri.fi/studying_in_finland](http://www.migri.fi/studying_in_finland). Students from **non-EU/EEA countries** must append a health insurance certificate to the application for residence permit. The comprehensive private health insurance must cover medical expenses in the amount of 100,000 euros if the studies in Finland last less than two years. See [http://www.migri.fi/services/faq/residence_permits/students](http://www.migri.fi/services/faq/residence_permits/students). Finnish Diplomatic missions abroad are found at the website of the Ministry for Foreign Affairs, [http://formin.finland.fi/public/default.aspx?nodeid=15203](http://formin.finland.fi/public/default.aspx?nodeid=15203).

**Health and other insurance:**

Exchange students at Hanken benefit from the Student Health Service (YTHS/FSHS [http://www.yths.fi/en](http://www.yths.fi/en)) by the membership to the Hanken Student Union and the possession of the Student ID-card. Consultation, general treatment and vaccinations are free at the YTHS, specialist appointment and dental treatment is inexpensive. Membership of the Student Union is a prerequisite for enrolment at a university in Finland and includes a health care fee.

The Student Health Service does not offer emergency and hospital services. Hanken carries no responsibility for students in case of illness or accident. Exchange students have to ensure they are sufficiently insured during travels to and from Finland and during the entire stay. Insurances must be bought in the home country before take-off to Finland.

**Arrival and pick up service:**

Arrival dates with pick-up service are during two days before the Orientation courses in Helsinki and in Vaasa (see Academic calendar). A group of Hanken students act as tutors and support group for exchange students at both campuses. Exchange students shall upload in the Mobility Online application their Arrival data a month ahead of arrival. Pickup during the scheduled arrival dates is guaranteed if the student requests it online and arrive during the fixed pickup days. A tutor will meet the student at the airport (railway station, harbour), provide the key and take the student to the apartment.
