Global Impact Fellowship

Emzingo’s Global Impact Fellowship (GIF) is an international consulting internship with an NGO or Social Enterprise in Rio de Janeiro, Brazil or Lima, Peru.

This 8-week program combines leadership training with personal coaching, mentoring services, and team-led social impact consulting projects. It prepares students for careers in development consulting, impact investing, micro-finance, global health, and international development.

Global Fellows will...

- Develop marketing strategies, impact assessments, income-generating activities, and human resource restructuring for NGOs or social enterprises.
- Partner with a mentor from a consulting group to assist with project design and presentation.
- Attend coaching and reflection workshops to help you determine your post-graduation ambitions.
- Attend weekly workshops in impact investing, micro-finance, corporate social responsibility, social entrepreneurship, and environmental sustainability.
- Travel to Machu Picchu, the Amazon, and other places, on weekends.

Apply by November 1, 2015!
Contact undergrad@emzingo.com for more information.

The GIF will take place from May 23, 2016 - July 15, 2016.
