Fort Worth, TX

May 2023 – August 2023

### Texas A&M University

Teacher Assistant for ENGR 102 Engineering Lab I – Computation

College Station, TX

August 2021 – Present

- Created ideal lesson plans for all incoming engineering freshmen each semester by teaming up with professors to prepare students for future high-level engineering courses by implementing Python skills
- Led students in completing Entry-To-A-Major (ETAM) applications and work towards a final decision
- Implement performance management of students by grading assignments comprising 15% of the overall course grade and offering feedback for improvement and continued learning of course objectives
- Partner with students in real-world application and comprehension of coursework through weekly office hours; facilitated lectures and solved example problems contributing to an efficient learning environment

### Arkansas Chess Association

Professional Chess Coach

College Station, TX/Little Rock, AR

June 2018 – Present

- Implemented chess lesson plans for all ages and skill levels based on personal playing experiences and high-level learning; incorporated proven formulas used in working with many famous professional chess players and coaches
- Partnered with professional chess players to host multiple chess camps and tournaments across the country to help children and young adults make the transition from casual to professional chess players

Professional Chess Player

June 2016 – Present

- Competed in multiple international tournaments representing USA team; developed superior skills in strategic planning, critical thinking, decision making, and the ability to multitask under pressure; led Arkansas to National Tournament of Champions 5 consecutive years and consistently placed top 20 in USA

## LEADERSHIP & INVOLVEMENT
