
APPLICATION INSTRUCTIONS FOR AGGIES ON WALL STREET 2019

The essay questions below are required as a part of your application submission. Please limit each response to 300 words.

1. Aggies on Wall Street is a flagship high-impact program in the Department of Finance and the admission process is very competitive. Why should you be selected for this program?
2. Discuss a current business or financial issue (domestic or international) which caught your attention. Explain why.
3. We all exist within communities or groups of various sizes, origins, and purposes; pick one and tell us why it is important to you, and how it has shaped you.
4. Experience teaches us the importance of being reflective when making major decisions. Share a recent example when you faced a difficult choice. How did you process your decision? What were the consequences of that decision? What would you have done differently?
