“The amount I learned, experienced, and friendships I made on the Europe Marketing Study Abroad cannot compare to anything else I have ever done. It was a trip of a lifetime for sure, and I wish I could relive it over and over again. I knew before leaving I would learn more about my future career in Marketing from company visits, but I left learning more about leadership, my love for A&M and the people that come with it, and myself. I would recommend this experience to anyone, no matter your background or what you want to do with your future. This trip will transform you like you would not believe.”

Through this experience, I grew personally and professionally in more ways than I ever dreamt possible. Additionally, I developed an appreciation for international business, the arts, and European history. The friends I made and adventures we shared will always hold a special place in my heart. In the words of Dr. Seuss, “Sometimes you will never know the value of a moment, until it becomes a memory.” A month may seem like forever, but it flies by in the blink of an eye.”
