

MS Accounting  
MAYS BUSINESS SCHOOL

## Required Essay Questions for Applicants

All applicants are required to submit responses to all five essay questions as part of your application submission. Please include the applicable essay prompt/question at the top of each response. Applicants should limit each response to two pages (double-spaced). There is not a required font size and/or margin requirements but we do ask that you make sure the document will be easily readable by the Admissions Committee.

Please type and save each of your answers into ONE combined document (.pdf, .doc, and .rtf formats accepted) and upload under Personal Statement in your online application. The maximum file size is 15 megabytes.

### Question 1

Describe someone who has been influential in your choice of career. How did that person help you get to where you are today?

### Question 2

Why do you want to pursue this graduate program at Mays Business School?

### Question 3

How have professional and cultural experiences shaped your career goals and how will this degree help you achieve those goals?

### Question 4

Describe your undergraduate experience and how it has prepared you for taking the next step into this graduate program?

### Question 5

What gaps do you see in your background that you believe this degree will help to fill?
