## REQUIREMENTS FOR GRADUATION

Degree requirements are catalog specific and listed in the *Undergraduate Catalog* and in *Texas A&M University Student Rules*, <[student-rules.tamu.edu](http://student-rules.tamu.edu)>.

Students are able to access a display of the degree program requirements using **View Degree Evaluation** from the **Degree Evaluation** channel in the **My Record** tab on **Howdy** <[howdy.tamu.edu](http://howdy.tamu.edu)>. In all cases, it is the student's responsibility to check his/her degree evaluation and to complete all academic requirements of the selected major.

Mays Business School students must satisfy grade point average (GPA) requirements outlined in the following:

- Have a 2.0 GPA or better in all course work attempted at Texas A&M University.
- Have a 2.0 GPA or better in all courses in the major field taken at Texas A&M University.
- Have a 2.0 GPA or better in all courses in the Common Body of Knowledge (CBK)\* taken at Texas A&M University.
  - \* For courses retaken, the highest grade earned will be used in calculating this GPR. This applies only to the CBK requirement. Grades transferred from other institutions are not used in calculating this average.

With the exception of physical activity and general elective requirements, business students must take all other course work to satisfy degree requirements for a letter grade.

Business students must take two courses in their major that are designated as fulfilling a writing requirement (W). The requirement may be met by taking two W courses or one W course and one oral communication (C) course. These courses are major specific and taken as part of the student's upper-level coursework.

### **Residence Requirement**

A minimum of 36 semester hours of 300- and/or 400-level coursework must be successfully completed in residence at Texas A&M University. A minimum of 12 of these 36 semester hours must be in the major.

### **Foreign Language Requirement**

Some proficiency in a foreign language is also required to graduate from Texas A&M University. This requirement can be met by:

- Completing two units (two full years) of high school coursework in the same foreign language;
- Completing two semesters (one full year) of coursework at the college level in the same foreign language; or
- Demonstrating proficiency in a foreign language by examination.

## **MAYS BUSINESS SCHOOL STANDARD FOR GOOD ACADEMIC STANDING**

**Business students have the obligation to remain at all times in good academic standing**, which is defined as a minimum 2.0 cumulative GPA in all course work taken at Texas A&M.

- Business students whose cumulative GPA at Texas A&M falls below a 2.0 will be blocked from further registration and will be dropped from Mays Business School enrollment without probation.
- Students who are dropped from Mays Business School for not maintaining a minimum 2.0 cumulative GPA will only be readmitted after meeting change-of-curriculum requirements. Thus, some dropped students may not be eligible for future readmission into Mays Business School.

### **GOOD ACADEMIC STANDING**

You must maintain your cumulative GPA at 2.0 or greater to continue enrollment in Mays Business School.

## **MAYS BUSINESS SCHOOL STANDARD FOR SATISFACTORY DEGREE PROGRESS**

**Business students have the obligation to make satisfactory progress toward completion of all degree requirements.**

- A minimum standard to measure degree progress requires satisfactory completion of 75 percent of attempted course credit hours each academic year. Business students are expected to take course work that applies toward the student's intended upper level business major.

### **DEGREE PROGRESS**

You are expected to complete no less than 75% of all attempted course credit hours each academic year.

## **MAYS BUSINESS SCHOOL STANDARD FOR ACADEMIC INTEGRITY**

In addition to maintaining good academic standing and satisfactory degree progress, **business students have an obligation to uphold the Aggie Code of Honor**. The Dean of Mays Business School reserves the right to remove from the business school any student found to have committed an act of academic dishonesty.

### **AGGIE HONOR CODE**

“An Aggie does not lie, cheat or steal, or tolerate those who do.”

## REGISTRATION

Registration for the fall and spring semesters is accomplished at several times. In the preceding fall and spring semester (during November and April), a preregistration period is held for currently enrolled students to register for the next semester. The Office of the Registrar sets individual preregistration start dates and times.

Students find their preregistration start date/time using **Registration Time Assignment** in the **Registration** channel on the **My Record** tab in **Howdy**. The Class Schedule is available using the **Registration** channel or the Registrar's website, <[registrar.tamu.edu](http://registrar.tamu.edu)>. Additional registration information may be obtained from the Office of the Registrar.

Academic advisors in the Undergraduate Program Office and upper-level major academic advisors offer preregistration advising.

### Registration Hold

For a number of reasons a student may be blocked (a hold) from registration. Before attempting preregistration, check for holds using **View Holds** in the **Registration** channel on the **My Record** tab. If a hold is in effect the student will not be allowed to register.

If you need help or assistance with registration, contact the **Registration Help Desk**, Monday through Friday, 8 AM to 5 PM, at 979-845-7117, or [registration@tamu.edu](mailto:registration@tamu.edu).

## WAIT-LIST REGISTRATION PROCEDURES

Students unable to register in a course because no seats are available may be able to request "wait-list" registration. Before requesting wait-list consideration, meet with an academic advisor about schedule options. The Undergraduate Program Office **does not** handle wait-list requests.

Each department has its own rules about wait-list registration. Students requesting wait-list registration into a Mays Business School course must follow rules, guidelines, and deadlines of the department offering the course:

## TEXAS A&M UNIVERSITY EMAIL

Email is an official means of communication at Texas A&M University. **Texas A&M University Email (TAMU Email) is the University's official email for students, staff and faculty.** Upon admission to Texas A&M University students are assigned an active student email account.

Important notices and reminders from offices such as Registration, Scholarships & Financial Aid and Student Business Services will be sent to the student's TAMU Email account. **It is every student's responsibility to check their TAMU Email account for University-related communications on a frequent and consistent basis.** The University recommends checking email at least once per day.

Mays Business School uses TAMU Email to keep students informed about things like Q-drop deadlines, scholarship/internship/study abroad opportunities, registration changes, important reminders, upcoming conferences and leadership opportunities.

TAMU Email provides students with a *professional* email address that can be used for correspondence with student organizations, prospective employers, and others. **Always use your TAMU Email account when emailing your academic advisor, instructor, or other university official.** This protects your identity and privacy.

Students may elect to automatically forward messages sent to their Texas A&M University student email address. However, email messages that are essential to the student's education or that contain private personal information may be designated as *Do Not Forward* (DNF) and will not be redirected to another address. A courtesy notification message will be forwarded whenever a DNF email is delivered to a TAMU Email account where the student has elected to automatically forward their messages. However, TAMU cannot guarantee the delivery of these courtesy notification messages. The University is not responsible for email once it is forwarded out of a student's TAMU Email account.

**Remember and protect your NetID and Password.**

TAMU/Computing Help Desk: [helpdesk@tamu.edu](mailto:helpdesk@tamu.edu) or call 979-845-8300

**WHEN EMAILING THE UNIVERSITY, ALWAYS USE YOUR  
TAMU EMAIL ACCOUNT AND REMEMBER TO INCLUDE  
YOUR TEXAS A&M UNIVERSITY UIN.**

***Business students are instructed to have all transfer course credit (including correspondence, dual enrollment and credit-by-exam) posted to their official record at Texas A&M University BEFORE the first class day of the graduating semester.***

**7. Public Speaking.** Business students are instructed to take their required public speaking course in a classroom setting. Use the Texas Common Course Numbering (TCCNS), <[www.tccns.org/](http://www.tccns.org/)>, or the *Transfer Course Equivalency* link, <[admissions.tamu.edu/freshmen/gettingin/requiredHSCourses/dcredit.aspx](http://admissions.tamu.edu/freshmen/gettingin/requiredHSCourses/dcredit.aspx)>, when selecting direct equivalents. COMM 101 Introduction to Speech will NOT fulfill the public speaking requirement.

## IMPORTANT RULES AND DEFINITIONS (Continued)

8. **Repetition of Courses.** Credit for a course can only be earned once, even if the course is repeated. Exceptions include KINE 199 or other special courses when designated.
9. **Incomplete Grades.** A temporary grade of I (Incomplete) at the end of a semester for extenuating circumstances. See *Student Rules, 10.5.* <[student-rules.tamu.edu](http://student-rules.tamu.edu)>
11. **Minors.** Business students may seek and receive transcript recognition for a maximum of two minors. To declare a minor the student must:
  - a. Obtain approval from the minor-granting department, program or college.
  - b. Provide proof of minor approval to the department or major academic advisor and complete the *Request for Minor Field of Study – BBA Curricula*.
    - i. If a lower-level business (BUAD/BUAG) student, he/she is required to meet with the academic advisor for the intended upper-level major BEFORE returning the *Request for Minor Field of Study – BBA Curricula* form to the Undergraduate Program Office.
  - c. Declare no later than the date on which they apply for graduation.
  - d. Once declared, minor requirements become graduation requirements. The minor is displayed on the transcript after graduation, but is not displayed on the diploma.
12. **Distinguished Student.** An undergraduate student who completes a semester schedule of at least 15 hours or a summer session schedule of at least 12 hours with no grade lower than C and with a grade point of not less than 3.5 for the semester or summer session. See *Student Rules, 11. Distinguished Students,* <[student-rules.tamu.edu](http://student-rules.tamu.edu)>, for complete details.
13. **Dean's Honor Roll.** An undergraduate student who completes a semester schedule of at least 15 hours or a summer session schedule of at least 12 hours with no grade lower than C and with a grade point of not less than 3.75 for the semester or summer session. See *Student Rules, 11. Distinguished Students,* <[student-rules.tamu.edu](http://student-rules.tamu.edu)>, for complete details.
14. **Graduation with Honors.** Requires a minimum of 60 semester hours at Texas A&M University preceding graduation. GPA in Texas A&M coursework must equal that required for the appropriate category of honors. *Summa Cum Laude:* 3.9 GPA or above. *Magna Cum Laude:* 3.7 through 3.899 GPA. *Cum Laude:* 3.5 through 3.699 GPA.
15. **Prerequisites.** It is the responsibility of the student to be sure that course prerequisites are met. Prerequisites must be listed in the *Undergraduate Catalog* or the *Schedule of Classes*. Failure to meet course prerequisites could result in a student's being dropped from the class.
16. **Double Major.** Business Honors majors (BHNR) may elect two major fields of study within the BBA degree. The first major must be BHNR. The BHNR student must satisfy all University and Business School requirements and complete all curriculum requirements for each major. This option leads to the granting of one B.B.A. degree with two majors.

## TEXAS A&M UNIVERSITY FIRST YEAR GRADE EXCLUSION

An undergraduate student who entered as a "first time in college\*" may elect to have grades of D, F, or U in a maximum of three (3) A&M courses for which he/she enrolled within 12 months of the first date of enrollment excluded from his/her undergraduate degree and cumulative GPA calculation. Only "currently enrolled\*\*" students may invoke first-year grade exclusion (FYGE).

**All courses chosen for FYGE will remain on the official transcript and be designated on the transcript as excluded.**

- FYGE requests for degree candidates must be received in the Office of the Registrar not later than the day midterm grades are due when the student is graduating in a fall or spring semester; not later than Friday of the 3rd week of class for the second summer session when the student is graduating in August.
- Grades for courses in which the student was found to have committed academic dishonesty as recorded by the Aggie Honor System Office cannot be excluded, regardless whether or not the student completed remediation.
- A course for which the grade has been excluded may not be used to satisfy degree requirements unless it is repeated for an acceptable grade.
- Once a course has been excluded from the GPA calculation, a student will not later be permitted to have the exclusion removed or otherwise changed. In other words, if you exclude grades of D you also lose credit for the courses.

\*First time in college: an undergraduate, degree seeking, student who applied and enrolled in college for the first time regardless of whether the student acquired college level credit through testing, advanced placement or summer enrollment.

\*\*Currently enrolled is defined as a student who is registered for one or more semester credits and has made financial arrangements for required tuition and fees for the semester or term in progress. Current enrollment is certified after the state designated census day.

The complete policy statement, frequently asked questions (FAQs) and FYGE request form is available on the **Office of the Registrar** website < [registrar.tamu.edu](http://registrar.tamu.edu) >.

### **BE VERY CAUTIOUS ABOUT YOUR FYGE DECISIONS!**

**Mays Business School is serious about students making satisfactory degree progress. Extreme use of FYGE and/or Q-drops can cause a student to fall out of compliance with the *STANDARD FOR SATISFACTORY DEGREE PROGRESS*.**

## TAKING COURSE WORK ON A SATISFACTORY/UNSATISFACTORY (S/U) BASIS

Business students may take only general elective courses and KINE 198 and KINE 199 on a Satisfactory/Unsatisfactory (S/U) basis. All other course work in the business degree plan must be taken for a letter grade.

**General Elective:** A student must decide **AT THE TIME OF REGISTRATION** whether to take a general elective course for letter grade or S/U. The **fifth class day** of a fall or spring semester is the deadline for making this decision. Refer to the *Academic Calendar*, <[registrar.tamu.edu/General/Calendar.aspx](http://registrar.tamu.edu/General/Calendar.aspx)>, for summer terms and 10-week summer semester dates. Talk with an advisor before registering for a general elective on an S/U basis.

**KINE 198:** Students have until the **Q-drop deadline** to decide whether to take KINE 198 for a letter grade or S/U. Use the **Registration** channel in the **My Record** tab on **Howdy**, <[howdy.tamu.edu](http://howdy.tamu.edu)>, to confirm or update the grading mode any time before the Q-drop deadline. Print a copy of the *Detailed Student Schedule* after updating grading mode to verify accuracy; it will indicate "Satisfactory/Unsatisfactory" if the grading mode is S/U.

**Note: KINE 198 CANNOT BE REPEATED.**

**KINE 199:** Students **MUST** enroll in their first KINE 199 on an S/U basis to fulfill the one credit hour KINE 199 core curriculum requirement. KINE 199 can be repeated unlimited times, and students have until the **Q-drop deadline** to decide whether to take a specific section of KINE 199 for a letter grade or S/U. If taken for a letter grade, it can only fulfill a general elective requirement in Mays B.B.A. degree plans.

**Note: KINE 199 graded fulfills NO degree requirement for B.S. Agribusiness majors.**

Students use the **Registration** channel in **My Record** to confirm or update the grading mode of KINE 199 any time before the Q-drop deadline. Print a copy of the *Detailed Student Schedule* to verify grading mode accuracy.

**Certain other courses are offered S/U only and a student cannot change that grading status.** Such courses may only be used to fulfill general elective requirements in Mays B.B.A. degree plans.

When a student elects to take a course on an S/U basis:

1. A grade of "Satisfactory" (S) will be given for grades of C and above. The hours associated with S grades shall not be included in GPA calculation, semester or cumulative.
2. A grade of "Unsatisfactory" (U) will be given for grades of D and F. The hours associated with U grades shall be included in GPA calculation, both semester and cumulative, and count the same as an F.

## TRANSFER OF COURSE CREDIT

Acceptance of transfer credit for business courses will generally be limited to those courses taught in the freshman and sophomore years at Texas A&M University. Mays undergraduate students must take all 300- and 400-level business course work in residence at Texas A&M University.

**Note: Business students are instructed to have all transfer course credit (including correspondence, dual enrollment and credit-by-exam) posted to their official record at Texas A&M University BEFORE the first class day of the graduating semester.**

Transfer of course credit is determined by the Office of Admissions and Records (OAR) on a course-by-course basis. The Texas Common Course Numbering System (TCCNS) is an aid for students in the transfer of general academic courses between community colleges and universities. The current version of TCCNS may be found through the Office of Admissions and Records home page or directly at <[www.tccns.org/](http://www.tccns.org/)>. Check TCCNS before enrolling in courses at Texas community colleges.

The following list of 15 Texas A&M University courses with corresponding TCCNS course numbers are the most commonly transferred by business undergraduates.

Students wanting to take courses at other 4-year institutions or out-of-state schools can view transfer equivalents from the OAR home page using a *Transfer Course Equivalency* link <[admissions.tamu.edu/freshmen/gettingin/requiredHSCourses/dcredit.aspx](http://admissions.tamu.edu/freshmen/gettingin/requiredHSCourses/dcredit.aspx)>.

**Note:** The evaluation of courses on the OAR site is a **guide**, and transferability of any given course is **not guaranteed** until evaluated upon receipt of the transcript.

## TRANSFER OF COURSE CREDIT (Continued)

**Credit submitted for transfer must be on an official transcript received by the OAR from the registrar of the institution where the credit was earned.** Credit for courses that transfer to Texas A&M University by *equivalency* are shown by A&M course number in the degree evaluation.

Other courses transfer *by title*; degree evaluation will show only the course name from the other institution. In some cases these credits may be substituted for A&M credits through an adjustment request process. Materials from the course taken at another institution are required in the petitioning process. These materials include:

1. Course syllabus or professor's course outline.
2. Course description from the catalog of the institution that offered the course.
3. Title and table of contents of the textbook used in the course.
4. Other useful materials from the course, such as workbooks, tests, homework, reports, theme papers, class notes, quizzes, exams, memo from the professor.

Meet with an academic advisor in the Undergraduate Program Office, 238 Wehner, to petition course adjustment.

**Grade Point Average (GPA):** Only grades in coursework, including repeated courses, which the student completes at Texas A&M University will be used in determining the student's A&M GPA. Transfer credit grades are not calculated into the A&M GPA; students receive transfer credit hours only. Credit may be transferred for work completed with grades of "D" or better if the grade is considered passing at the transfer institution.
