ABOUT ME

Looking for a skilled and experienced professional to take your course design and team management to the next level? Look no further! With six years of educational experience in compositing, lighting, and multimedia, I have applied my skills to courses to raise their quality level. Whether you're looking to simplify information or create compelling visuals, I have the skills and passion to help you achieve your goals.

WORKING EXPERIENCES

Instructional Design Specialist -
Texas A&M University
April 2022 - Present (1 Year 6 Months)
College Station TX

One of my main responsibilities is to develop effective learning experiences that cater to various audiences. Thanks to my coding and design background, I am able to create engaging and impactful materials that achieve the following goals:

- Course Development
- Learning Experience Design
- Learning Assessment
- Technology Integration
- Collaboration with Instructors
- Continuous Improvement
- Accessibility and Inclusivity
- Project Management
- Support for Video Editing
- Technical Support

Student Teacher (Classified as IOR)-
Texas A&M University
2020 - 2021 (2 Year)
College Station TX

I had the honor of teaching a college-level course at Texas A&M University that was open to all students. Specifically, I taught a course on After Effects and Premiere Pro that aimed to provide students with the necessary skills to create high-quality video products. As the instructor, I was responsible for developing the course curriculum, creating engaging lecture materials, assigning coursework, grading assignments, and organizing review sessions to assist students in understanding the course content. Moreover, I was always willing to assist students with any additional tasks that may have been helpful for their success in the course.

Graduate Assistant Teacher (GAT) -
Texas A&M University
2020 - 2021 (2 Year)
College Station TX

As a Teaching Assistant, I support faculty with grading, feedback, tutoring, office hours, lab sessions, course materials, online platforms, attendance, exams, teaching methods, records, integrity, and conflict resolution. My aim is to help both faculty and students succeed in their academic pursuits.

WORKING EXPERIENCES

Book Seller -

Barns & Noble Bookstore at Texas A&M University

2017 - 2019 (2 Year)

College Station TX

As a store assistant, I am responsible for various tasks such as cleaning the store premises, assisting customers with their purchases, replacing mannequins, updating store signage, restocking new products and working in teams on the sales floor. I also help customers to check out at the cash register, manage end-of-day closing procedures, dispose of trash as required and pack all outgoing items for shipping. Additionally, I ensure that the store remains well-organized at all times.

Sales Associate -

Rue21

2013 - 2015 (2 Year)

College Station TX

As a store employee, my duties included cleaning the store, assisting customers with sales, changing mannequins and store signage, restocking new products, promoting items, operating the cash register, and maintaining the store's overall organization. I have been recognized as employee of the month multiple times for my hard work and dedication in both individual and group settings on the sales floor.

VIDEO PROJECTS

Legacy (Directed Studies Animation) -

Texas A&M University

2021 - 2021

Under the tutelage of Dave Walvoord and Mayet Andreassen, a brief animation was produced with a focus on utilizing lighting techniques and various camera angles to convey a narrative. I learned a lot about lighting and camera shots during this animation.

Spooky (Capstone) -

Texas A&M University

2021 - 2021

For my Capstone project, I created still to study film nior lighting and atmosphere. The goal was to capture the mood of this genre.

Left Behind (Industry Summer Animation) -

Texas A&M University

2021 - 2021

With the guidance of professionals from industry giants such as DreamWorks and Disney, I was able to gain valuable insights into the intricacies of video production. Consequently, I successfully crafted an animated short that eloquently explored the complex emotions of abandonment in a world that is gradually fading away.
