EXPERIENCE

Nelson Machine Products

Machinist

Houston, Texas
Summer 2020-2022

- Operated different lathe processes, producing various stages of products, including final assembly, which helped increase productivity
- Handled production routers throughout manufacturing and inspection processes to increase skillset and maximize adaptability.
- Helped operate quality control checks while in-process, as well as final quality control checks before customer delivery and final destinations
- Learned and increased work efficiency through management of parts and machine operations, due to customer request and expedited schedules
- Unloaded, handled, and organized raw materials, according to base material chemistry and the intended production path through manufacturing processes

LEADERSHIP & INVOLVEMENT

Baylor University, Division 1 NCAA Baseball

Varsity Baseball Team Member

Waco, Texas
July 2020-February 2023

- Performed as a left-handed pitcher for Baylor University Baseball. Attended practices and games while still maintaining a high-level GPA and achieving success in the classroom
- Exhibited leadership and determination to compete in a varsity sport at the Division I level
- Persevered through season-ending injury and managed own rehabilitation program

Baylor University Baseball Camp

Camp Counselor

Waco, Texas
May 2022-August 2022

- Organized daily routines and directed over 100 entry-level baseball players (grades 3-9) over the course of 5 days for multiple weeks
- Provided campers with skill instruction and basic game awareness to improve their knowledge of the game and ability to perform during game scenarios
- Demonstrated exceptional time-management to ensure that camp commenced and concluded within the specified timeframe while following the designated schedule
