CULTURAL INSURANCE SERVICES INTERNATIONAL (CISI):

All students confirmed to participate on this Texas A&M program will be enrolled in the international insurance plan call CISI prior to departure. The plan provides international medical coverage, emergency and evacuation services, and additional benefits. Students will be covered for the duration of the program. Information on CISI coverage is at: <https://global.tamu.edu/ea/health-and-safety/insurance>

CANCEL FOR ANY REASON (CFAR) AND INTERRUPT FOR ANY REASON (IFAR) TRAVEL INSURANCE:

All students are strongly encouraged to purchase additional travel insurance to protect their financial investment in this program. Such a plan should assist with expenses that cannot be recovered through TAMU’s CISI policy, including but not limited to flight or program cancellations or costs incurred if recalled to the U.S. due to pandemics, war or civil unrest, personal health or injury, academic/conduct ineligibility, or other reasons that prevent participation on the program. These scenarios could result in significant personal out-of-pocket expenses since they are excluded from CISI’s coverage, and TAMU will not be reimbursing these costs or refunding EA fees. We recommend that you thoroughly read the policy you are considering including the fine print. Many policies may have a “pandemic exclusion.” Look for policies that allow you to cancel for any reason, often called Cancel for Any Reason (CFAR) or Interrupt for Any Reason (IFAR) plans.

All questions related to CFAR/IFAR policies should be directed to the insurance carrier and not the Center for International Business Studies or Education Abroad.

FINANCIAL RESPONSIBILITY AND WITHDRAWAL POLICY

Students should carefully plan funding for this international experience with all financial stakeholders (family, friends, scholarship/financial aid offices, banks, etc.). Programs are typically financed through multiple sources including personal funds, financial aid (loans/grants), and potential scholarships. Students may also set up a payment plan with Student Business Services.

- Review the Funding page (<https://global.tamu.edu/ea/funding>) on the Education Abroad website.
- Discuss financial aid (state and federal grants/loans) options and review your aid eligibility with an Aggie One Stop Advisor (<https://aggie.tamu.edu/resources/contact-us>). If you are a committed participant, upload the Cost of Attendance Adjustment Request form to your financial aid portal at <https://myfinancialaid.tamu.edu>.
- Ask when your financial aid will disburse in relation to your program fee payment due dates. Most program fees will be due PRIOR to financial aid disbursement. Discuss resources to pay for your program prior to aid being released.
 - **LT Jordan Overseas Loan Fund** – A 0% interest loan up to \$1,500. Applications are reviewed on the 15th of every month starting in October through April. It takes up to three weeks from application review to award disbursement to a student’s account (Howdy Portal). More information is available at <https://ltjordan.tamu.edu/programs/apply>.
 - **Short Term Loan through Financial Aid** – An 8% interest loan up to the total cost of the program, e.g. can also help with flights, tuition, etc. Award decisions are typically made within one or two business days. Funds are typically disbursed to a student’s account (Howdy Portal) about a week or two after award notification. Apply online at <https://sbs.tamu.edu/loans/short-term-loans/index.html>. Students will need to explain what you need the funds for and by when. Below is an example of what you can write in the justification box:

I am requesting a short-term loan to cover my study abroad expenses this Spring 2025:

- \$500 Administrative Fees – Billed within 2 weeks of commitment
- \$5,475 Program Fee – Due January 2025
- \$2,200 to purchase international flight; much purchase by March 2025

Once you have committed to the program, the \$200 Education Abroad Administrative fee and the \$300 CIBS Administrative fee are non-refundable. When recruitment has concluded, students will receive a Program Confirmation Letter. Should you withdraw from the program after receipt of the letter, there will be penalties beyond the administrative fees, and they can be significant. Please refer to the Education Abroad Withdrawal & Refund Policy and the 2025 CIBS Faculty Program Participation Contract, which you have read and signed in the application forms regarding the full withdrawal process and associated fees.

ALL FEES ARE NON-REFUNDABLE IF A WITHDRAWAL REQUEST IS RECEIVED WITHIN 30 DAYS OF DEPARTURE OR AFTER THE PROGRAM START DATE.

STUDENT BUSINESS SERVICES PAYMENT PLAN

If you are **not** enrolled in the payment plan, the program fee will be due in full by the January due date: <https://sbs.tamu.edu/billing-paymnets/due-dates/index.html>. If you are enrolled in the payment plan, payments will be spread across all remaining due dates during the semester in which you were billed. Information on how to enroll in the SBS payment plan is available at <https://sbs.tamu.edu/billing-payments/payment-plan/index.html>.

Please note the following information regarding the payment plan:

- The payment plan is managed solely by Student Business Services.
- Enrollment is required by the deadline of the current semester/term.
- SBS charges a \$50 non-refundable payment plan set up fee (subject to change) upon enrollment.
- Enrollment in the payment plan is not available to students with a \$0 balance at the time of enrollment.
- A down payment is due at the time of enrollment and will be dependent on the balance at the time of enrollment.
- If you withdraw from the program, there is no guarantee that any fees may be removed prior to an installment due date. CIBS requires a minimum of 5 days to finalize withdrawal penalties. More time may be required as needed.

Regardless of whether or not you are enrolled in the SBS payment plan, a late payment penalty may be assessed monthly by SBS for non-payment. If you have a delinquent account, you may be prohibited from course registration in future terms and may be blocked from receiving University services such as transcripts or diplomas.

PROBLEM MEETING THE PAYMENT SCHEDULE?

Once you have committed to a program, consequent withdrawal will lead to financial penalties that can be significant even early in the process. Speak to your [CIBS coordinator](#) about your situation and your options as soon as possible.
